

game::penguin::PenguinGame  
::play

```
graph LR; A["game::penguin::PenguinGame  
::play"] --> B["game::AbstractBoard  
::performMove"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'game::penguin::PenguinGame' on the top line and '::play' on the bottom line. The right box is white with a black border and contains the text 'game::AbstractBoard' on the top line and '::performMove' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.
